

## § 982.504

## 24 CFR Ch. IX (4-1-00 Edition)

standard pursuant to paragraph (c)(2) of this section for the area.

(5) *Population.* The total population of HUD-approved exception areas in an FMR area may not include more than 50 percent of the population of the FMR area.

(6) *Withdrawal or modification.* At any time, HUD may withdraw or modify approval to use an exception payment standard amount.

(7) *Transition: Area exception rents approved prior to merger date.* Subject to paragraph (c)(6) of this section, the PHA may establish an exception payment standard amount up to the amount of a HUD-approved area exception rent in effect at the merger date.

(d) *HUD approval of payment standard amount below the basic range.* HUD may consider a PHA request for approval to establish a payment standard amount that is lower than the basic range. At HUD's sole discretion, HUD may approve PHA establishment of a payment standard lower than the basic range. In determining whether to approve the PHA request, HUD will consider appropriate factors, including rent burden of families assisted under the program. HUD will not approve a lower payment standard if the family share for more than 40 percent of participants in the PHA's voucher program exceeds 30 percent of adjusted monthly income. Such determination may be based on the most recent examinations of family income.

(e) *HUD review of PHA payment standard schedules.* (1) HUD will monitor rent burdens of families assisted in a PHA's voucher program. HUD will review the PHA's payment standard for a particular unit size if HUD finds that 40 percent or more of such families occupying units of that unit size currently pay more than 30 percent of adjusted monthly income as the family share. Such determination may be based on the most recent examinations of family income.

(2) After such review, HUD may, at its discretion, require the PHA to modify payment standard amounts for any unit size on the PHA payment standard schedule. HUD may require the PHA to

establish an increased payment standard amount within the basic range.

### **§ 982.504 Voucher tenancy: Payment standard for family in restructured subsidized multifamily project.**

(a) This section applies to tenant-based assistance under the voucher program if all the following conditions are applicable:

(1) Such tenant-based voucher assistance is provided to a family pursuant to § 401.421 of this title when HUD has approved a restructuring plan, and the participating administrative entity has approved the use of tenant-based assistance to provide continued assistance for such families. Such tenant-based voucher assistance is provided for a family previously receiving project-based assistance in an eligible project (as defined in § 401.2 of this title) at the time when the project-based assistance terminates.

(2) The family chooses to remain in the restructured project with tenant-based assistance under the program and leases a unit that does not exceed the family unit size;

(3) The lease for such assisted tenancy commences during the first year after the project-based assistance terminates.

(b) The initial payment standard for the family under such initial lease is the sum of the reasonable rent to owner for the unit plus the utility allowance for tenant-paid utilities. (Determination of such initial payment standard for the family is not subject to paragraphs (c)(1) and (c)(2) of § 982.505. Except for determination of the initial payment standard as specifically provided in paragraph (b) of this section, the payment standard and housing assistance payment for the family during the HAP contract term shall be determined in accordance with § 982.505.)
